RESEARCH CLOUD COMPUTING - WITHOUT THE CREDIT CARDS

- Gives Researchers Access to Cloud
 - Allow researchers to consume cloud services inc access to novel hardware and software stacks
 - No need for researchers to wait for IT Services to Rack/Install/Network new hardware
 - No need to use your own credit card
 - Reduced time to science
- Gives the Institution Control
 - Customisable Interface
 - Quotas
 - Charge-back
 - Enforcement policies
 - Email reminders
 - Standardise Images (where appropriate)
 - Stopping/Warning of non-compliant VM's
 - Use on-premise hardware when required
